MEMORANDUM FOR : Deputy Director (Research)

SUBJECT : Status of Cuban Mission Approvals

1. Tom Parrott called me at 10:30 a.m. 11 September to say that highest authority had this morning approved General Carter's request for additional Cuban flights with the U-2. As a result of Special Group action, we still have one approval for September to which General Carter added a request for two more. The President's approval thus permits us to fly three missions this month along lines discussed in the 10 September meeting at the White House with the Secretary of State, Mr. McGeorge Bundy, the Attorney General, et al.

2. Parrott said that he had thus far only communicated this information to [ ] and myself. I will see that Jim Reber is advised.
